

CELLAR CLUB

A personal business...

Corney & Barrow want your wine buying experience to be an individual, familiar one which is, above all, fun. We aim to give accurate and honest advice, not always to our benefit but always to yours. This is because we prefer long-term relationships based on trust. Whether you buy over the phone or on the website, we hope that our personal recommendations will help your decision making.

...based on relationships

Our relationships with our producers are founded on the same principles as our relationships with our customers; personal and based on mutual trust. From Domaine de la Romanée-Conti to our House Wine suppliers, our relationships with our producers are individual and extensive. We bring wine directly from the Châteaux or Domaine, offering you wines with a traceable history and advantageous opening prices. We can offer you access to first-hand knowledge and experience; we hold regular events with the winemakers to put a personality to the wines and spread their remarkable knowledge and skill, directly; undiluted.

Flexibility is key

Build your collection in a way that will suit you. With the Cellar Club you can build a balanced cellar of wines from around the globe, specialize in purely red Bordeaux or pick and choose your favourites. We can provide wines that are “ready to drink” or ones to keep and improve for a decade or more.

Historical Corney & Barrow

At more than 230 years old, Corney & Barrow is one of the longest established Independent Wine Merchants in the UK. The original shop, opened by Edward Bland Corney, was on Old Broad Street in the City of London, selling a small selection of Port, Sherry and Bordeaux. Our Head Office has remained City based ever since.

Still privately owned, Corney & Barrow has grown nationally and internationally, into every sector of the market. We have sales offices in London, Edinburgh, Northumberland and, most recently, Hong Kong.

We also run shops in Newmarket and Ayr, having acquired the Scottish Merchants Whighams of Ayr in 1994.
